

LAUTOKA CITY COUNCIL **CORONAVIRUS [COVID-19]**

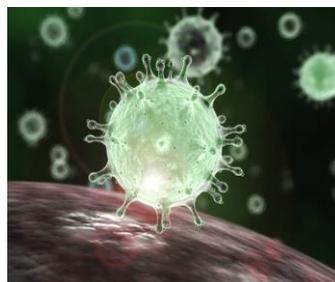

AWARENESS ON HYGIENE PRACTICES **AND PHYSICAL DISTANCING**

TO : SHIRLEY PARK FLEA MARKET VENDORS

1. **BACKGROUND** - Coronavirus disease 2019 (COVID-19) is a respiratory illness that can spread from person to person. There are around 5.5 million cases worldwide with more than 350,000 deaths and 18 positive cases recorded so far in Fiji.
2. **TRANSMISSION** -The virus is spread mainly between people who are in close contact with one another (within about 6 feet) through respiratory droplets produced when an infected person coughs or sneezes. It also may be possible that a person can get COVID-19 by touching a surface or object that has the virus on it and then touching their own mouth, nose, or possibly their eyes.
3. **PREVENTATIVE MEASURES**
 - ✓ Avoid close contact with people who are sick.
 - ✓ Limit number of people to be around the stall. As far as practicable maintain safe distancing of 2.0 metres.
 - ✓ **Sanitize/disinfect** all contact surfaces like tables.
 - ✓ Cover nose and mouth when coughing and sneezing with tissue, handkerchief or flexed elbow.
 - ✓ Operators **must** use face masks and hand gloves when serving customers.
 - ✓ **Avoid touching** your eyes, nose, and mouth with unwashed hands.
 - ✓ Avoid physical contact greetings. Safe greetings include a wave, a nod or a bow.
 - ✓ Communicate from a distance. [As far as practicable]
 - ✓ Operators must **wash their hands** on **regular basis** with soap and water for at least 20 seconds.
 - ✓ Only clean and hygienic items are permitted to be sold.
4. For any other enquiries please contact council on **666 0433** or **Director Health Services** on **9908553** or **Senior Health Inspector** on **9240486**. Email: lcc@connect.com.fj or health@lcc.com.fj.
